EDUCATOR INQUIRY WORKSHOP

Supporting K-12 educators to connect nature-based education in their curricula
through STEAM-focused lessons

Saturday
October 22, 2022
Hefner Museum
106 Upham Hall
MU Oxford, OH

Educators Grades K-5
9am-12pm

Explore life cycles and food chains/webs while connecting to natural-world objects and children's literature. Activities are easily adapted to different age groups.

Educators Grades 6-12
1pm-4pm

Learn how to use and fund microscopes and other magnification tech in the classroom and to connect these tools to activities in nature.

- **3 Contact-Hour CEU** Certificate available for each participant
- Participants may choose to attend one or both sessions.
- **Free registration and project materials provided** thanks to the Ohio Environmental Education Fund.
- **Limited to 24** participants per session.

Pre-registration required:

<https://forms.gle/gFVX1D2NPBKLg6RG7>
